

REMARKS

The examiner has issued a Notice of Allowance in this case. Claims 18-28 are allowed. Claims 1-17 were previously canceled without prejudice. Accordingly, the applicants respectfully submit the foregoing amendments and request entry thereof pursuant to 37 C.F.R. § 1.312.

By way of this amendment, the applicants correct a minor typographical error in claim 19. In particular, the superfluous word “second” has been removed from claim 19 because, in part, no corresponding “first” virtual network is recited to warrant recitation of a “second” virtual network. Additionally, no dependent claims recite the term “second virtual network.”

Conclusion

If there are any remaining matters that the examiner would like to discuss, the examiner is invited to contact the undersigned representative at the telephone number set forth below.

The Commissioner is hereby authorized to charge any deficiency in the amount enclosed or any additional fees which may be required during the pendency of this application to Deposit Account No. 50-2455.

Respectfully submitted,
